

Club Nissim Luach — June 2026

בס"ד

A Quarter of a Century with the Living Miracles! Our 25th Anniversary is approaching—we are looking forward to a big party on September 1! In honor of the day, we are planning to put together a booklet, celebrating the years that have passed. **We want to feature our members in the booklet, so please come in to our office and have your photo taken!** (It has to be done with our camera; you can't just send/give us an existing picture.)

Meanwhile, there is June.... Do join us for a trip to the Botanical Garden in The Bronx on June 10, which should be a joy for the senses; **the "Flower Power" exhibit, and everybody's favorite—the Rose Garden!**

The **Beauty Day** on June 24 should be worth your while as well—we will give you more information about that as the day approaches! Now, go out in the sun and get some **Vitamin D!**

*With best wishes to all our dear Members,
Simonne Hirschhorn
Program Director*
